and Drinks Reception

“

*What can I say about Convenzis other than they are a truly professional company offering an end-to-end service.*

*Their pre and post event support is invaluable and nothing is too much. The teams on event day are there to help no matter how great or small your need. I truly enjoy working with them, so much so that they are my "go to" event company*

Tech In Care

*I just want to say that I am delighted with the number of attendees and speakers you and your team have secured for this event. I recognise the enormous pressures placed on your team in delivering this event and the fact that you have obtained a surplus is truly incredible – Thank you!!*

*I cannot understate the value and high commendation your team have been received in delivering this event – and at an international level too!*

**£13,400** PLUS VAT

“

*My colleague and I presented at the NHS workforce conference 2023, 19 September. The support and guidance we received from the Convenzis team in the run up to our presentation slot was great, well timed and perfectly pitched. The event itself, again was expertly organised. The conference was well Chaired by Sean, who was very engaging. As an audience member as well as a panel member, I would definitely work with the Convenzis team again.*

**NHS BSA**

  
**Business Services Authority**

*This was our first time attending an event hosted by Convenzis. Their events came highly recommended by a colleague who had previously attended events. This event in particular provided a fantastic audience for our organisation, and facilitated insightful and inspiring conversations with many key individuals from across the Primary Care sector. It was very well organised and nothing seemed too much for the organisers. We look forward to attending future events.*

“

*Convenzis were fantastic partners to work with at the Elective Care Conference (South). They were so accommodating leading up to the event and on the day of. They couldn't have been more helpful and we'll definitely be looking to book more conferences again in the future.*

Health Now

*It was great to join the Convenzis team again for the patient flow event. As always, the team were incredibly accommodating and happy to help. The quality of attendees is always of a high standard and relevant to the patient flow and to us also. We continue to have great discussions and footfall around our stand with no need to try and encourage people to come and see us. Really positive event for us and we look forward to working with Convenzis in the future.*

**£7,300** PLUS VAT

“

*Having attended 2 convenzis events we are more than happy to give the team a glowing reference. Rather than a 'Trade Show' where the conversations usually centre around 'my product is better than yours', the conferences organised by convenzis provide real value by addressing relevant topics and opening up conversations around solutions to challenges being faced- rather than tabling about product specs! P.s The Team are Great, Very professional and well organised.*

**GT Cleaning  
Machines**

*We have had a great engagement from day one with Convenzis. Very helpful team, clear directions, and willing to give us a hand with every step so we have a great outcome. We were positively impressed with the quality of the attendees and discussion. Definitely plan to work with Convenzis again.*
