Atlas at a glance

Why choose Atlas?

We understand that the requirements of each radiology department are unique. With radiology backlogs compounded by growing vacancies, Atlas provides a unique offering of highly qualified, experienced clinical resource, scanning equipment and mixed modality reporting across multiple channels - delivering imaging solutions to help our partner Trusts manage diagnostic waiting times and activity.

Established provider to major national frameworks:

- + COCH Commercial Procurement Solutions - On-Site Surgical and Medical Capacity Solutions
- + NHS Shared Business Services - Insourcing of Clinical Support Services
- + East of England NHS Procurement Hub - Teleradiology Services
- + NHS Shared Business Services - Reporting Services: Teleradiology
- + COCH Commercial Procurement Solutions - Mobile Diagnostic and Treatment Units

Prioritising a high-quality, reliable service:

- + Over 200 UK-based clinical staff available
- + >30,000 radiology reports/month
- + >2,000 obstetric hours/month
- + >5,000 non-obstetric scans/month
- + 100% contractual performance compliance
- + <0.2% discrepancy rate

Atlas Education

We see education differently.

Atlas is committed to supporting the continuous development and education of radiology reporting professionals and associated clinical roles. The exclusive Atlas Academy programme provides access to a national network of education seminars, featuring leading keynote speakers, audience-led topics and engaging delivery.

We welcome applications to join the Atlas Academy, providing regular programme openings for clinicians motivated to learn, develop and excel - contact us to find out more.
