

# RAISING THE BAR IN HEALTHCARE

Deliver high-quality telehealth experiences, simplify clinical workflows, and improve organizational performance with the Logitech Rally Bar Family

Rapidly deploy high-quality video collaboration solutions that are easy to use, connect seamlessly to existing IT systems and platforms, and are cost-effective to scale. With Logitech's all-in-one video collaboration solutions, healthcare teams have the right tools to make high-quality care more accessible and affordable so that more good can be done for more people.

The Logitech Rally Bar Family consists of three appliance-based products: Rally Bar, Rally Bar Mini, and RoomMate for larger, custom rooms. Additional mic pods and accessories are available to equip the perfect hospital board room, examination rooms, mobile telehealth carts, physician's offices, or any room in between.

## RALLY BAR

**Greater audio volume and clarity than any other video bar solution**

- Optical zoom to reach much further into the room
- Best microphone array available in any video bar solution
- Multimonitor support
- Install ceiling microphones for better room coverage
- Cable management system for increased security and reliability
- RightSight framing technology enables everyone to be seen, not just the loudest speaker
- Free remote management, monitoring, and insights
- Variety of solutions designed for different healthcare environments
- Mounting accessories for easier installation and ownership
- 2-year warranty
- Get every software update, even without an up-to-date support contract

## RALLY BAR MINI

**The best audio experience in smaller rooms**

- Best microphone array available in any video bar solution
- Multimonitor support
- Install ceiling microphones for better room coverage
- Cable management system for increased security and reliability
- RightSight framing technology enables everyone to be seen, not just the loudest speaker
- Free remote management, monitoring, and insights
- Variety of solutions designed for different healthcare environments
- Mounting accessories for easier installation and ownership
- 2-year warranty
- Get every software update, even without an up-to-date support contract

# RALLY BAR FOR HEALTHCARE

An all-in-one video collaboration solution for mid-sized conference rooms that supports high-quality interactions with patients, staff, administration, and more

Rally Bar delivers a powerful all-in-one video conferencing experience, featuring brilliant optics, automated PTZ, and high-performance audio for midsize healthcare applications. With Rally Bar, remote examinations and appointments can be just as natural and productive as face-to-face collaboration.

## SIMPLE TO SET UP

### USB Plug and Play

Easily connects to virtually any PC or Mac®, with no additional software required

### Appliance Mode

A built-in computer allows you to run supported video conferencing applications such as Zoom directly on the device

### All-in-One Design

Sleek, minimal footprint expedites setup and reduces clutter

## SIMPLE TO USE

### RightSense Technologies

#### RightSight

Detects participants, automatically moves the lens, and adjusts the zoom so no one is left out of the picture

#### RightLight

Intelligently adjusts video settings in all light conditions so everyone always looks their best

#### RightSound

AI-driven voice leveling and unwanted noise suppression deliver outstanding clarity

## SIMPLE TO MANAGE

### Logitech Sync

A single platform to monitor each collaboration space's health and keep devices up to date

### Deploy Updates at Scale

Easily propagate upgrades and bug fixes to Rally Bar and other supported Logitech devices

### Partner Dashboard Support

Fully integrated with partner solutions like Microsoft Teams, Zoom, and others for a simplified device management experience

AUDIO	VIDEO	AI VIEWFINDER
<p><b>Room-filling Sound</b> Large, ultra-low distortion speakers with RightSound™ convey every word with outstanding clarity</p> <p><b>Adaptive Beamforming Mic Array</b> Beamforming mics pick up voices at every seat and focus on the active talker while suppressing ambient noise</p> <p><b>Expansion Ready</b> Add up to three Rally mic pods for even greater coverage in larger settings</p>	<p><b>Ultra-HD Video</b> Brilliantly sharp video, outstanding color, and exceptional optical accuracy at resolutions up to 4K</p> <p><b>Expansive Room Coverage</b> Motorized lens covers rooms 130° across by 80° high, with lossless image quality up to 5X optical zoom</p> <p><b>Cinema Quality</b> Logitech RightLight™ technology with WDR captures natural-looking skin tones, even in dim or backlit conditions</p>	<p><b>Framed to Perfection</b> A second built-in camera lens detects participants, amplifying RightSight auto framing</p> <p><b>See Everyone Clearly</b> All participants, even late arrivals, are automatically seen and included</p> <p><b>Move About Freely</b> AI Viewfinder uses scene awareness to keep the camera on the action</p>

# RALLY BAR MINI FOR HEALTHCARE

The all-in-one video collaboration solution for small conference rooms, clinics, or rural health centers

Simplicity meets versatility with Rally Bar Mini, Logitech's most advanced all-in-one video bar for small healthcare spaces. With studio-quality audio and video, AI-driven performance, and flexible deployment options, Rally Bar Mini sets a new standard for collaboration in tight spaces.

## SIMPLE TO SET UP

AUDIO	VIDEO	AI VIEWFINDER
<p><b>Room-filling Sound</b> Ultra-low distortion speakers with RightSound convey every word with outstanding clarity</p> <p><b>Adaptive Beamforming Mic Array</b> Beamforming mics pick up voices at every seat and focus on the active talker while suppressing ambient noise</p> <p><b>Expansion Ready</b> Add up to two Rally mic pods for greater coverage in larger healthcare spaces</p>	<p><b>Ultra-HD Video</b> Brilliantly sharp video, outstanding color, and exceptional optical accuracy at resolutions up to 4K</p> <p><b>Expansive Room Coverage</b> Mechanical pan and tilt cover rooms 163° across by 110° high, with exceptional image quality</p> <p><b>Cinema Quality</b> Logitech RightLight technology captures natural-looking skin tones, even in dim or backlit conditions</p>	<p><b>Framed to Perfection</b> A second built-in camera lens detects participants, amplifying RightSight auto framing</p> <p><b>See Everyone Clearly</b> All participants, even late arrivals, are automatically seen and included</p> <p><b>Move About Freely</b> AI Viewfinder uses scene awareness to keep the camera on the action</p>

## OPTIMIZE COMMUNICATION

Rally Bar and Rally Bar Mini keep the focus on what matters with AI Viewfinder, which uses scene awareness to optimize RightSight auto-framing and camera control

### A MORE RELIABLE AUTO-FRAMING METHOD

While audio-driven camera auto-framing technology gets hung up on the loudest speaker, the Rally Bar and Rally Bar Mini use a variety of methods to make sure that the camera focuses on what it should.

- AI-driven Insights can tally everyone in the room with AI Viewfinder's people count function.
- Using human perception, Rally Bar and Rally Bar Mini adapt to room conditions.
- Rally Bar and Rally Bar Mini pan, tilt and zoom to automatically keep the camera on the action.

## CRAFT THE PERFECT HEALTHCARE SPACE WITH RALLY BAR + RALLY BAR MINI ACCESSORIES

### TV Mount for Video Bars

Securely mount Rally Bar or Rally Bar Mini above or below a TV or monitor

### Wall Mount for Video Bars

Neatly and confidently secure Rally Bar or Rally Bar Mini on the wall for minimal footprint

### Rally Mic Pod in Graphite

Expand audio coverage and provide convenient access to mute controls

### Rally Mic Pod in White

Expand audio coverage and provide convenient access to mute controls

### Rally Mic Pod Extension Cable

Easily connect mic pods to Rally Bar or Rally Bar Mini with up to two 10m extension cables

### Rally Mic Pod Mount in Graphite and White

Hide cables and anchor mics on the table or ceiling for a clean, finished look

### Logitech Tap Controller

Deploy with Tap for easy one-touch to join

### Rally Mic Pod Hub

Customize microphone placement for your room configuration
